Table 1.0 Clarification:

The queries obtained from different firms and their clarification is as follows:

Sl. No.	Clause No.	Gist of the Query	Response	Remarks
1.	2 Section 3, 4.1(b) Specific Construction & Contract Management Experience	3 (i) A minimum number of 01 similar contract specified below that has been satisfactorily and substantially completed as a prime contractor, joint venture member, management contractor or sub-contractor between 1st January 2018 and bid submission deadline: (i) 01 contract, of minimum value Rs. 8.00 Crore. The Authority is requested clear the percentage of work value required as a single work.	4 It is already mentioned in Specific Construction & Contract Management Experience Section 3, 4.2 (a), may the contractor recheck it. Therefore, no clarification required.	5 —
2.	4.2 (a) Specific Construction & Contract Management Experience	(i) A minimum number of 01 similar contract specified below that has been satisfactorily and substantially completed as a prime contractor, joint venture member, management contractor or sub-contractor between 1st January 2018 and bid submission deadline: (i) 01 contract, of minimum value Rs. 8.00 Crore. 2. The Authority is requested to clear, is there price index factor is applicable in the past contract for calculating the value of work. Example –if a contractor works a contract of Rs. 7 crore in 2018, is price index factor is applicable. So the value of work in 2023 is calculated as per price index.	No change.	—
3.	3.2 Average Annual Construction Turnover	As per NHAI guideline/RFQ or EPC mode the average annual turnover should be 15% of the estimation project cost of the project and be have also attached the RFQ/bidding document of NHAI for EPC mode of same location/Area bridge work	Please see Addendum point no. 1, table 2.0.	—
4.	Annex-I SCHEDULE-A Special Mandatory requirement:	Maximum number of span allowed = 1 Nos The Authority is requested to relax maximum span limit and permitted to design the bridge as per requirement of the codal provisions	Please see Addendum point no. 5, table 2.0.	—
5.	—	As per the schedule-A of Bidding documents, the contractor has to keep spans mentioned in NIT, is it mandatory? Which is against the spirit of EPC contract. Since it is an EPC contract, Contractor should be allowed to adopt his own span arrangement and design by keeping the overall span length same.	No change.	—
