WORK EXPERIENCE

Ministry of Skill Development & Entrepreneurship, Govt. of India

Kamle, Arunachal Pradesh

Mahatma Gandhi National Fellow

November 2021 – November 2023

- Institutional Strengthening
District level stakeholder convergence
Implemented World Bank-funded SANKALP project by fostering capacity building of grassroot administration. Achieved interdepartmental convergence and collaboration by operationalising a district-level multi-stakeholder committee.
- District-Level Planning and Program Implementation
Skill Development and Action Plans
Orchestrated district-level planning efforts, including District Skill Development Plan for 2022-2023 to identify job roles and skill development targets. Also, crafted the District Level Action Plan for the Nal Jal Mitra program under Jal Jeevan Mission for assessing the number of infrastructure requirements and thereby the skilling partners.
- Initiatives and Impact
Data Digitization, Student Aspirations, ITI Evaluation
Led and conducted research, including digital surveys, to investigate non functionality of MSMEs. Conducted surveys of over 125 students for supply-side analysis, primary school surveys for identification of infrastructure gaps for SSRDP development project, and a tracer study with 50+ students to assess ITI employment and training outcomes.
- Community Mobilization and Collaboration
Skill Rallies, PM Kaushal Vikas Kendra, and SHG Support
Mobilized 70+ candidates for skill rallies, led a Pradhan Mantri Kaushal Kendra registration drive with 480+ students, and empowered marginalized communities by forming 15+ new Self-Help Groups (SHGs) and establishing 5 Panchayat Level federations within 2 years with Arunachal Pradesh Rural Livelihoods Mission.
- Research and Evaluation
Samagra Shiksha Abhiyan in Higher Secondary Schools
Surveyed 125+ students for socio-economic, educational, and vocational data, conducted program analysis through interviews with school staff. The survey employed both qualitative and quantitative research approach in data findings.
- Career Counselling and Skill Development Project for Young Students
Resource Person - Team Up Project (Lohit District Administration)
Delivered impactful sessions on public speaking, empowering 70+ students with vital communication & leadership skills.
